

Julie Spira, Online Dating Expert and Founder, Cyber-Dating Expert

About Julie Spira - Full Bio:

Julie Spira is an award-winning dating coach, mobile and online dating expert, and an internationally-known bestselling author. As an early adopter of the internet, Julie's spent over 25 years helping singles find love online.

With over two decades of experience and a passion for everything digital, Julie coaches singles from college-age to the large population of baby boomers looking for a first or second chance at love.

As a Los Angeles-based celebrity-dating coach, her clients span the globe from New York to San Francisco and London to Sydney. Julie believes age, zip codes, and country codes are no longer barriers to love.

Julie's a frequent guest in the media, and has appeared on:

Access Hollywood - Dating and Relationship Expert
Good Morning America - Online Dating Safety Expert
Today Show - Dating Expert and Boomer Dating Expert
VICE TV - Dating Coach, *Mobile Love Industries*

She's been quoted in print in:

The Boston Globe, Cosmopolitan, Elle, Glamour, Men's Health, New York Times, Psychology Today, USA Today, Wall Street Journal and the Washington Post. *Visit our Press Room for More*

Her advice appears on popular apps, including:

Bumble, eHarmony, JDate, JWed, Match, Our Time, Plenty of Fish, Tinder, and Zoosk

Julie was awarded "Best Dating Coach" at the iDate Awards, the dating industry's most recognized awards ceremony, which celebrated her for her excellence in navigating love.
